

Independent Study Course Permission Form  
**Chemistry**  
New York University Shanghai

**Independent Study – Chemistry**

Prerequisite: permission of the department. 2 or 4 credits

Students majoring in Chemistry are permitted to work on an individual basis under the supervision of a full-time or visiting faculty member in the relevant discipline if they have maintained an overall GPA of 3.0 and have a study proposal that is approved by a physics professor. Students are expected to spend about two to three hours a week per credit (a 4-credit IS would involve about ten to twelve hours a week) on their project.
