NYU Shanghai will select and may change at any time, in its sole discretion, the space to which you will be assigned and or occupy and the furnishings, features, and other occupants of the room. If you request a residence hall or type of accommodation that is not available, you will be assigned to and charged the rate for alternative accommodations chosen by NYU Shanghai. Roommate requests based upon race, color, religion, sexual orientation, physical characteristic, or national origin will not be accepted.

****ELIGIBILITY****

You must remain a NYU Shanghai student enrolled in classes at NYU Shanghai or a NYU Go Local student enrolled in NYU classes throughout the License Period or NYU Shanghai will have the right to terminate this License, in its sole discretion.

Information and instructions about returning to housing will be sent to the home of a student on Medical Leave. Students may receive approval to study at other academic institutions. They must notify the Office of Student Life and provide official school documentation indicating their intent to return to housing. Students who maintain matriculation, but are not enrolled may be approved for a personal leave. Students on a Personal Leave of Absence do not maintain their renewable housing status.

****LICENSE PERIOD****

This License is for the Fall 2022 and Spring 2023 term, if applicable. NYU Shanghai provides January Term and Summer Term housing to students enrolled in courses under a separate license. NYU Shanghai students enrolled in classes for both the Fall 2022 and Spring 2023 Terms are provided transitional housing during the winter break period and may remain in their assigned space subject to the terms of this License. Students who are only enrolled for one term will not be permitted to stay in their room past the check-out date.

The License Period for the Fall Term begins on your check-in date set by NYU Shanghai Office of Student Life and ends on the check-out date, unless this License is canceled or terminated earlier as specified below. Your License Period cannot be changed from these dates unless approved in writing by the Office of Student Life. You waive any right that you may have or acquire to remain in the assigned space beyond the end of the License Period. Students may

be required to vacate rooms in between the Fall and Spring terms. NYU Shanghai may fill any empty spaces during a term or the winter transitional period. Advance notification will be provided.

****CANCELLATION OF LICENSE****

This License binds you for the entire License Period unless: (A) you cancel your housing on or before August 7, 2022 for the Fall Term, there will be no cancellation fee; (B) you cancel your housing between August 8-27, 2022 for the Fall Term or when you receive your housing assignment, whichever comes first, there will be a 300USD cancellation fee (C) you cancel your housing on or after August 28, 2022 for the Fall Term, there will be no refund on their housing; (D) you officially withdraw from the University as you will not be permitted to remain in housing after you have withdrawn. Students must present official documentation from their academic department to cancel their housing.

NYU Shanghai expects its students to maintain continuous registration in an academic program with the exception of summer breaks. However, at times it is necessary or desirable for a student to take a leave from enrollment for a period of time. Such leaves may be voluntary or involuntary, and will be handled in accordance with the Student Leave Policy. If Student Life cancels this License, it will also cancel all room charges following the NYU Shanghai Bursar Office refund schedule. If you never occupy, or you vacate, your assigned space without submitting a written cancellation request, or if your cancellation request is not approved by the Office of Student Life, this License will not be canceled and you will continue to be responsible for all fees due under or as a consequence of this License for the entire License Period.

****TERMINATION OF LICENSE****

NYU Shanghai reserves the right at any time, in its sole discretion, to terminate this License, to suspend you from student housing, to postpone or cancel the assignment of any space, or to postpone the commencement of the License Period: (A) if you fail to pay any sum due under this License when due, violate any other term of this License, cease to be an NYU Shanghai student (including a Study Away student), or fail to occupy or improperly vacate the assigned space; (B) if the assigned space is unavailable for dormitory use or unusable due to any damage, construction, renovation, or repair; or (C) for any other reason that NYU Shanghai, in its sole discretion, deems to be good cause. If this License is terminated because of your failure fully to perform any of your obligations under this License, you will continue to be responsible for all fees due under or as a consequence of this License for the entire original License Period.

****FEES AND PAYMENTS****

responsible for all costs, including collection agency and legal fees, incurred by NYU Shanghai in collecting past-due payments owed under this License.

****OCCUPANCY AND USE****

You alone must occupy your assigned space during the License Period. Any vacant space in the room may be filled by the Office of Student Life without prior notice to you. You shall use the room only for dormitory purposes and shall not permit any other person to use the room for any purpose without prior written approval from the Office of Student Life.

****CONSOLIDATION****

In an effort to create more housing options for incoming and existing residents, ensure equity, and maximize use of available space, NYU Shanghai will actively seek to consolidate vacancies within student housing. Students that are assigned to partially vacant rooms may be reassigned prior to check-in or during the first four weeks of each semester. At the end of the fourth week of each semester, NYU Shanghai will look at all students with open beds spaces and require room changes in order to maximize occupancy. Consolidation may also occur during the academic year, and students may be reassigned to other rooms, floors, or residence halls where necessary to provide more students with housing.

facility in which it is located.
