CONVERSATIONS

February 23-May 24, 2017

Barbara Edelstein, Bruce Edelstein, Jean Edelstein, Alexandra Wiesenfeld and Daniel Wiesenfeld

Curated by Georgia Freedman-Harvey

Conversations is dedicated to the memories of artists Sy Edelstein and Paul Wiesenfeld

“CONVERSATIONS” explores the dialogues that are fostered among families with multiple artists in one family. Artists often work in solitude. Does that dynamic change when there is discourse between family members about their artistic endeavors? Both the Edelstein and Wiesenfeld families exemplify how having multiple artists in each family, and across several generations, adds to the creative process.
