CCD Location: Room W309

24 Spring Semester

CCD Mission

The NYU Shanghai Center for Career Development (CCD) aims to provide comprehensive career guidance to our entire student body.

We collaborate with employers, alumni, and organizations to provide a range of resources and opportunities for students to achieve personal and professional success.

From one-on-one career coaching to career fairs and networking events, our team of committed career development professionals will be with you every step of the way!

Questions?

How do I...

- *get an on-campus job?*
- *join a selective student club?*
- *become an RA?*
- *get my first internship?*

- First time writing a resume?
- First time preparing for an interview?
- Do not know how to start a conversation with an alumnus?
- Want to know more about the job market and professional life?
