UNIVERSITY CALENDAR POLICY ON RELIGIOUS HOLIDAYS

纽约大学教学日程与宗教节日政策

If you need to miss a class in order to observe a religious holiday, please inform your teacher as early as possible before your absence. You may read more about the NYU Shanghai policy on religious holidays [here](#).

上海纽约大学（包括NYUSPS）是非宗教机构，教学日程中并未包含宗教节日。学生若因遵守宗教节日而缺席课程，需尽早提前告知自己的任课教师。教师会协助学生弥补所缺失

的内容，学生不会因遵守宗教节日受到惩罚。详细的上海纽约大学宗教节日政策请见[网页](#)。

COURSES AND LEVELS

课程与分级

NYUSPS at NYU Shanghai offers courses to English learners with a variety of learning goals and needs. Courses are available at three different levels of English—**elementary**, **intermediate**, and **advanced**. We provide several self-assessment tools, as well as individual advising, to help you determine which level and courses are right for you.

上海纽约大学NYUSPS的英语课程为各种不同程度的英语学习者提供相应的课程，以满足他们的目标和需求。课程分为三个不同级别——**初级**、**中级**和**高级**。我们为学生提供自助分级指南，学生也可咨询教职员工确定合适自己的级别。

At the end of the semester, particularly if you have taken several courses, you should reevaluate your level if you are planning on enrolling in courses again next semester. It generally takes a few semesters to advance a level, but that depends on many factors. Be sure to revisit the self-assessment checklists and talk to your teachers as you select your new courses.

学期结束时，如果学生希望下学期继续修读课程，应当重新评估自己的级别，特别是同时修读多门课程的学生更需如此。通常提升一个级别需要数个学期的努力，但也会受许多其他因素的影响。选择新学期课程前，请您务必重新对比分级指南，并听取自己任课老师的建议。

Some courses may be taken more than once. For these courses, we make sure that the content is not repeated in consecutive semesters. Be sure to talk to us if you are interested in taking a course more than once.

有一些课程可以上多次。我们尽量保证这些课程的内容不重复。如果你想重复上某一门课程，请在选课之前和我们联系。

It is quite common for language learners to be stronger in some language skills than in others. For example, some learners may be better at speaking in English than writing in English. This means that when you are in classes with students at the same level as you, you will not all have exactly the same abilities in all areas—you may notice that some things are hard for you in class and some are easy for you. These differences are actually an advantage as they create opportunities for you to learn not only with but also from your classmates and for you all to help one another.

英语学习者的某些语言技能较强，某些技能较弱，这是常见的现象。比如一些学生的英语口语比写作要强。这意味着，在同级别的同一个班级里，同学之间的英语能力不可能完全

相同——你会发现课上有的内容对你来说很简单，有的却比较难。这些同学间的差异正是课堂学习的优势所在，你不仅和你的同学一起学习课程，还能彼此互相学习。

If You Think You are in the Wrong Level

如果您认为自己的级别不匹配

If you find that everything in your class seems much too easy or much too difficult, please talk to your teacher. Your teacher will be able to provide the extra help or additional (and more challenging) work to suit your needs. If you and your teacher agree that the course is the wrong level for you, we will help you move to a more appropriate course. Please note that changes can only be made according to the following policy and deadlines:

- For 12-week courses, changes must be made before the start of Week 3.
- For 8- and 6-week courses, changes must be made before the start of Week 2 (or Week 8 for 6-week courses that run in the second half of the semester).
- For 3-week courses and 1-day workshops, changes are not permitted.

如果您发现课堂上所有内容都太简单或太难，请你及时向自己的任课老师反映。老师会针对你的需求给予特别的帮助（或提高课堂任务的难度）。如果你和你的任课老师都觉得你所在的级别不对，我们会为您重新安排合适的课程。请注意，根据下列政策，课程更改只能在相应截止日期之前进行：

- 12周课程：必须在学期第三周之前更改
- 8周和6周课程：必须在学期第二周之前更改（后半学期开课的六周课程必须在学期第八周之前更改）
- 3周课程和单日研讨课：不能更改

ABOUT YOUR CLASSES

Teaching & Learning

教与学

The academic culture at NYUSPS at NYU Shanghai, and our approach to teaching and learning, may be different from what you are accustomed to. You may at first feel that your classes are too easy or too hard, or that there is too much or not enough homework. We encourage you to talk to your teachers about any concerns you have about your learning, but you should also keep in mind that it may take some time to adjust to this new way of learning. It may help you to understand that our approaches are supported by research.

我们的学术氛围和我们所采用的教学方法可能与你之前所经历的不同。一开始你可能会觉得课上的内容太简单或者太难，作业太少或者太多。当您对学习有任何问题或疑虑时，我们建议您与自己的任课老师积极沟通。适应一种新的教学方法需要一定的时间；我们所采用的教学方法都有相应的学术研究支持。希望您理解我们的教学。

Our goal here at NYUSPS at NYU Shanghai is to help you develop the skills you need to be able to communicate successfully and confidently in English. We are focused on helping you **use** English, not just learn about English by memorizing grammar rules and long lists of vocabulary words. Research has found that, whereas facts and word lists can be memorized relatively quickly, the ability to use language appropriately is acquired gradually and only with extensive opportunities for practice (Anderson, 1990, 1993; Richard-Amato & Snow, 1992). Therefore, you will be given many opportunities to use English in a variety of learning activities that are designed to help you develop skills that will improve your listening, speaking, reading, and writing.

我们的目标是提高您的英语沟通技能。我们注重英语的活学活用，而不仅仅是死记硬背语法规则和大量词汇。研究表明，虽然学生可以快速背下规则和词汇，但恰当运用语言的能力只能通过大量的实践练习来逐步获得（Anderson, 1990, 1993; Richard-Amato & Snow, 1992）。因此，在我们的课堂上，你将通过丰富多彩的教学活动获得大量的练习机会，帮助你提高英语听、说、读、写各方面的能力。

You will also be asked at times to work with a partner or in a small group for in-class activities and homework assignments. These pair and group activities increase the amount of time each student has to use English compared to the amount of time each student has when only the teacher is speaking or only one student is answering a question the teacher asks. This increased amount of time to use language in a lower-stress context has also been found to promote language learning (Crandall 1992; Shaw 1997; Slavin, 1995).

有时任课老师也会要求你与另一位同学或一个小组一起进行课堂活动或完成某项作业。比起老师一个人讲或指定一位同学回答问题的形式，这些结对和分组教学活动增加了每一位学生运用语言的时间。研究也表明，在这样轻松的氛围下增加的练习时间同样有助于语言学习（Crandall 1992; Shaw 1997; Slavin, 1995）。

Attendance **出勤**

You have shown your commitment to learning English by enrolling in one or more courses at NYUSPS at NYU Shanghai. We hope that you follow through with that commitment by attending all of your classes and arriving on time. Because of the kinds of learning activities we do in class, you may miss a lot that will be hard or impossible to make up if you are absent, and your absence may also have an impact on your classmates. If, however, you do need to miss class, you should let your teacher(s) know as soon as possible. You should also talk to a classmate to find out what you missed, get copies of any handouts, find out what homework was assigned, and so forth. Be aware that it may not be possible to make up missed quizzes and exams.

成为上海纽约大学NYUSPS的学生意味着您下定决心要好好学习英语。我们希望您能坚持下去，准时参加每一次课程的学习。课堂上的教学活动和效果很难通过补课重现，您的缺席意味着您将会错过很多内容，而且也会影响班上其他同学。但如果您不得不缺课，您应

当尽早告知任课教师，并询问同班同学自己落下的内容、获取课上下发的材料、了解课后作业等。请注意，如果缺席随堂小测验或考试，您可能无法补考。

Grades and Transcripts

成绩与成绩单

NYUSPS at NYU Shanghai courses are noncredit, so we do not give letter grades like A, B, C, etc. All of the courses you take will be listed on your non credit transcript. Short courses (i.e., those with fewer than 12 total academic contact hours) are not graded. For all other courses, you will receive a final mark to indicate whether you have passed the course (P) or not (N). The passing threshold for these courses with numbers between 4000 and 7999 is 60%.

上海纽约大学NYUSPS课程为非学分课程，因此并不采用字母等第评分制。所有修读的课程都会列在非学分课程成绩单上。短期课程（即课时少于12小时的课程）不评分。其他所有课程都会给出期末成绩，标注为通过(P)或未通过(N)。课程编号从4000到7999之间的课程，总评分60%为通过。

After teachers have submitted final course grades, you will be able to view your grades in the NYU Albert Student Center.

教师提交期末成绩后，学生可以在NYU Albert Student Center查到自己的成绩。

Syllabi

课程大纲

You will be given a syllabus (syllabi is the plural form of syllabus) for each class you take at NYUSPS at NYU Shanghai. There is a lot of very important information on the course syllabi, so be sure to read them very carefully and ask questions about anything you don't understand. The syllabi will contain instructor contact information; learning outcomes of the course; assignments and evaluations; NYUSPS at NYU Shanghai, and NYU Shanghai policies. Your syllabi will be available on NYU Classes so you can refer to them any time you need to refresh your memory about this important information.

在上海纽约大学NYUSPS的每一门课上，任课老师都会给学生发此门课的课程大纲。大纲上列举了许多重要信息，学生应当仔细阅读，有任何疑问都应当及时提出。课程大纲上的信息包括：任课老师的联系方式、本课程的学习目标、学生需要完成的作业类型和相应的评分方式，还有上海纽约大学NYUSPS政策和上海纽约大学的相关政策规定。在NYU Classes平台上也能够找到课程大纲，你可以在任何需要的时候查阅。

You will also be given a schedule or calendar for each course with information about what you will learn, how to prepare, and what assignments are due each class day; this schedule might be included in the syllabus or given to you as a separate document. You should use this document to help you manage your time so you can come to class prepared and submit your assignments on time.

此外，学生还会收到每一节课的课表或者进度安排，包括教学内容、课前预习任务和课后作业任务。具体的上课安排可能包括在课程大纲中，也可能单独发。学生应该根据课表安排自己的时间，及时完成课前预习与课后作业。

Textbooks & Materials

课本与教学材料

Teachers, academic coordinators, and the academic director carefully select the materials that are used in NYUSPS at NYU Shanghai courses. For some courses, the materials will include a required textbook. Fees for these textbooks and other course materials are included in your tuition.

任课老师、课程负责人和中心主任一起仔细斟酌，精心挑选出了适用于我们课堂的教学材料，有的课程的教学材料中包括课本。课本和其他教学材料所需要的费用已包含在你的学费中。

NYUSPS at NYU Shanghai has ordered any required textbooks for your courses and will give them to you once they have arrived. If there is any delay in shipping, NYUSPS at NYU Shanghai has permission from the publishers to give you copies of parts of the books. Please note that international copyright laws prohibit us from providing copies of books that have not been purchased—we are only able to provide the copied materials because we have purchased the book for you. Due to the complexities of importing textbooks in China, students are not allowed to buy their own copies of the textbooks required for our classes.

上海纽约大学NYUSPS负责为你的课程订购所有所需的课本（若该课程需要），并在书本到达后发。如果发生运输问题导致教材迟到，上海纽约大学NYUSPS已经获得出版社的许可，在教材送抵之前向学生提供教材的部分复印件。请注意，对于没有购买的教材，国际出版法律法规禁止我们提供书籍的复印件。我们之所以能够向学生提供某本教材部分章节的复印件，是因为我们已经为学生购买了这本教材。由于海外教材进口中国手续过程繁琐复杂，学生无法自行购买课程所需要的教材。

ACADEMIC HONESTY: CHEATING AND PLAGIARISM

学术诚信：作弊与抄袭

NYUSPS at NYU Shanghai is part of the NYU Global Network, and we are required to maintain strict standards of academic integrity. The policies of an American university may be different from those in Chinese universities, and part of your learning experience here will be adapting to them.

上海纽约大学NYUSPS是纽约大学全球体系的一部分，我们严格遵守学术诚信标准。美国大学的学术标准可能与中国大学所采用的有所不同，而适应新的标准也是你在这里所要学习的内容。

The American academic community assumes that all writers (including students, professors, and researchers) know what constitutes plagiarism and view acts of plagiarism as ethical violations. Successful academic writing in this context, therefore, involves careful reading and composing skills in order to be able to use source material according to generally accepted conventions. These are complex and demanding tasks.

美国的学术机构默认所有文章的作者（包括学生、教授和研究人员）清楚抄袭的界定，明白抄袭是不道德的行为。因此，合格的学术写作要求作者掌握相应的阅读和写作技能，遵照诚信原则使用参考资料。这些都是复杂并富有挑战性的任务。

At NYUSPS at NYU Shanghai, we know that you need practice using sources in your writing so that you can develop the understanding and skills necessary to inadvertent plagiarism. We will help you learn how to use sources in your writing according to the conventions of the American (and broadly Western) academic community. We trust that you will work hard to improve these skills so that you will never be so overwhelmed that you are tempted to claim another writer's work as your own or do so inadvertently. Remember to ask your teacher for help as needed.

我们理解学生需要在实践中学习。在上海纽约大学NYUSPS，我们的教师会帮助你学习如何在写作中合理运用材料，使之符合美国（以及大部分西方社会）学术领域的诚信标准。我们相信，通过努力的学习和练习，你能够掌握这些技能，从而避免有意或无意抄袭他人作品。请记住，需要的时候，你总是可以向任课老师寻求帮助。

Strict standards of academic honesty will be enforced at NYUSPS at NYU Shanghai with respect to cheating and plagiarism.

关于作弊和抄袭，上海纽约大学NYUSPS严格遵循学术诚信原则。

Cheating

作弊

During quizzes, tests, or exams, teachers will not permit the sharing of answers or information about the test. The following are examples of cheating:

在小测验、测试或考试中，任课老师不允许学生进行答案或信息共享。出现以下情形属于作弊：

- copying from another person's work during a quiz or test;
在测验或测试中抄袭他人所写的内容
- copying from another person's assignments or homework;
抄袭他人的课后作业
- writing a test, assignment, or homework for another person;
替别人完成测试或作业
- sharing answers or getting help from other people during an online or in-class quiz or test;
在线测试或课堂测试中交换答案或获得他人的帮助
- talking about a quiz or test with other students before everyone has finished the test;
在所有人完成测试之前，与同学谈论测试的内容
- allowing another person to copy your test, assignment, or homework.
允许他人抄袭自己的测试答案或作业

Consequences of cheating:

作弊的后果

- If you cheat on a test or assignment, you will receive an automatic F or 0 for that test/assignment.
若在测试或作业中作弊，本次测试或作业成绩为不及格（F）或零分。
- Repeat offenses will incur escalating penalties at the teacher's discretion, including the possibility of failing the course.
若继续出现作弊，任课教师有权加重惩罚力度，包括将本门课程总成绩判为不合格。
- Any incidents of cheating will be recorded on your record.
任何作弊事件记录在作弊学生的记录中。

Plagiarism 抄袭

Graded written assignments, such as paragraphs and essays, must be entirely the work of the student who submits them. Copying passages (even just a single sentence) from other students, the Internet, or other written or spoken sources without properly citing the source(s) is not tolerated.

计入成绩的作业，如段落写作和作文等，必须完全由学生本人完成。不允许照搬其他同学、网络等任何书面或口头材料的片段（哪怕只有一句话），而不注明出处。

The following are examples of plagiarism:

构成抄袭的事例如下：

- copying other people's writing—even a small part of their writing—without proper permission;
未经允许照搬他人的书面材料——即便是其中少量的内容；
- taking credit for any writing that is not your own;
声称任何他人创作的材料为自己的作品；
- using other writers' material and changing it somewhat without stating next to the material exactly where it came from (i.e., without citing the source);
使用并改写他人的材料却未对来源作任何说明（如未引用出处等）；
- not using quotation marks around material that has been taken from another source and has not been changed from the original;
引用原始材料时未改写，也并未使用引号；
- cutting various sentences out of a variety of different sources and combining them together, even if a few small changes are made in each one.
从不同来源摘抄不同的句子并合并，即便有轻微改写仍为抄袭。

Consequences of plagiarizing:

抄袭的后果

- If plagiarism is suspected, you will be required to have a conference with your instructor
若出现疑似抄袭的情况，学生需与任课老师会面讨论
- If it is the first time your teacher has suspected you of plagiarism, you will be required to rewrite the assignment for a grade by a new due date; if you do not rewrite it by the agreed upon due date you will receive a 0 on the assignment.
如果教师怀疑学生抄袭，若是初犯，学生需根据新的截止日期重新完成作业以获得成绩。若在商定的截止日期之前未完成重写，本次作业记为零分。
- If, after a first case of plagiarism, a discussion with your teacher, and a rewrite of the assignment, you again plagiarize all or part of an assignment one or more times, you will face increasingly strong consequences, including the possibility of failing the course.

若是再犯，学生将面临更加严重的惩罚，包括总成绩判为不合格。

CLASSROOM VISITORS/OBSERVERS

课堂观摩

NYUSPS at NYU Shanghai takes great pride in the quality of its curriculum and teaching. One of the things we do to maintain that quality is conduct teaching observations. All of our faculty members are observed by the academic coordinators ; teachers will also sometimes invite their colleagues to observe one of their classes.

上海纽约大学NYUSPS以优质的课程与教学为傲。而我们保证教学质量的方法之一就是课堂观摩。课程主管会观摩所有教师的课程。有时教师也会邀请其他同事来观摩课堂。

The observations serve two purposes. One is to provide ongoing professional development for our faculty, and the other is to ensure that the teaching at NYUSPS at NYU Shanghai is of the highest quality. The observers will observe part or all of a lesson and take notes. They will then meet with the teachers to discuss the lesson and their observations.

课堂观摩有两个目的。首先是为了让教师们不断提升教学水平，另外也是确保我们的教学水平。观摩者会观摩部分或完整的一堂课并做笔记。课后观摩者会与被观摩教师讨论课堂内容和观摩意见。

Please understand that when an observer comes to your class, it does not mean that your teacher, or you, have done anything wrong or are in trouble. Teaching observations are a standard practice in any school and an important learning opportunity for both the observers and the teachers.

因此，当观摩者出现在课堂上时，并不代表任课老师或者学生犯下任何错误或招惹了任何麻烦。课堂观摩是学校普遍采用的方法，对观摩者与被观摩教师都是重要的学习机会。

If an observer visits your class, you should do the same things you do when the observer is not there. You do not need to change your behavior in any way. Do not be worried if the observer does not smile or looks serious—he or she will be concentrating very hard to observe the lesson and take notes!

如果观摩者出现在你的课堂上，你只需照常上课，就像平时一样，不需要改变自己的任何行为。如果观摩者没有笑容或表情严肃，也不必担心，因为观摩者必须全神贯注于课堂。

If no one observes the teacher in your class, do not worry. That simply means that your teacher has already been observed recently.

如果学期中没有观摩者在课堂上出现，也不用担心。这说明你的任课老师已经在之前接受过观摩。

COURSE AND PROGRAM EVALUATIONS

课程与项目评估

Near the end of each session, you will fill out evaluations on each of your teachers and courses as well as a brief overall evaluation of NYUSPS at NYU Shanghai. These evaluations are a very important way for us to get feedback from you, and we appreciate your candid responses. 学期临近结束时，你需要为每一门课程、相应的任课老师以及上海纽约大学NYUSPS填写评估。课程评估是我们从学生获得反馈的重要途径，我们非常感谢你如实的反馈。

The evaluation questions will be given in English and in Chinese, and you will be given the opportunity to write comments in either of those languages. You will type your comments into a computer, phone, or other mobile device and they will be translated, if necessary, by a member of our staff. All of the evaluations are anonymous—you will not be identified either by name or by ID number.

课程评估问题为中英文双语，你可以用这两种语言中的任意一种填写评估，也可使用电脑、手机或其他移动设备填写。需要时，我们的行政人员会翻译你所填写的评论。所有的评估均为匿名，学生无须说明自己的姓名或学生ID。

THE NYU SHANGHAI STUDENT COMMUNITY

连接上海纽约大学学生群体

As an NYU Shanghai non-credit student, you have the opportunity to connect and make friends with the larger NYU Shanghai student population. Interaction with other English-speaking students and community members outside of your NYUSPS at NYU Shanghai classroom is important and even aids your English language acquisition. NYUSPS at NYU Shanghai is constantly seeking ways for you to become even more integrated into the campus community, but please understand that there are limitations. For instance, at this time, non-credit students do not have access to the Student Fitness Facility located on level B-1. We encourage you to speak to us first if you have questions about your ability to gain access to any services or events at NYU Shanghai.

作为上海纽约大学的非学分项目学生，你有机会接触结交上海纽约大学的学生群体。在上海纽约大学NYUSPS课堂之外与其他说英语的学生或教职人员接触不仅重要，对你的英语学习也是一种促进。我们不断努力拓展让学生进一步融入上纽大，但仍然存在局限，敬请理解。目前，非学分的项目的学生还不能使用地下一层的学生健身房。如果你对上海纽约大学的任何设施或服务的使用权限或者活动的参与有任何疑问，我们希望你能先与我们联系确认。

SMOKE-FREE CAMPUS POLICY

无烟校园政策

NYU Shanghai is a smoke-free campus. Consistent with the goal of creating a healthful and comfortable environment for all members of the NYU Shanghai community, smoking—including e-cigarettes—is prohibited at all times in NYU Shanghai facilities, including in all of its buildings, residence halls and their grounds, clinics, laboratories, classrooms, private offices, vestibules, and loading docks, and on any other NYU Shanghai owned, controlled, or shared property. The success of this policy depends on the thoughtfulness, consideration, and cooperation of smokers and nonsmokers. It is the responsibility of all members of the NYU Shanghai community to comply with this policy. Members of the NYU Shanghai community found to be smoking in violation of this policy may be subject to disciplinary action through the applicable process.
