Members of the Class of 2022:

How fitting that in the year we mark NYU Shanghai's 10th Anniversary you shall be the ones to graduate. As a collective, you embody the vision of our school as an institution of research and higher learning. Whether it is a PhD or a Master's degree that you will carry forward into the next stage of your life, you have developed expertise in one of six disciplines. You have also shown determination in abundance, the kind that drives one to succeed no matter the circumstances, even in the face of a global pandemic, the kind that foretells careers of significance and distinction.

We gather to celebrate your achievements, salute how you have enriched NYU in Shanghai and New York, and look forward to seeing what you will accomplish with your special skills and abilities. Know that wherever your path takes you, you will always have a home here.

Congratulations, and we wish you all the very best!

## Jin Ye MA '22

Jin Ye (Jennie) graduates today with a Master of Arts degree in TESOL. Jennie currently teaches library courses at Shanghai World Foreign Language Academy to first and second graders. During her time in the TESOL program, Jennie researched how technology influences student learning, especially the acquisition of vocabulary, and its applications for the future, in a world where the pandemic has altered how we learn. Before joining the TESOL program, Jennie worked as a teaching assistant supporting ESL learners in public kindergarten and elementary schools in New York City. After graduation, she plans to continue her work as an elementary school teacher either in China or New York.

## Yao Yao MS '22

Yao Yao graduates today with a NYU Shanghai – NYU Stern joint Master of Science degree in Quantitative Finance. For his capstone, Yao worked with a global insurance firm on a comparative analysis of US and China investment portfolio strategies. While a student, Yao served as a Program Engagement Coordinator, communicating with guest speakers from industry. He also was a mentor to the undergraduate business club, a writer for the campus newspaper, On Century Avenue, and a go local orientation ambassador. Following his graduation, Yao will join Bloomberg in Shanghai with a focus on analytics and sales.

## 金烨 2022 届文学硕士

金烨，英语教育硕士项目毕业生，获文学硕士学位。金烨现任教于上海市世界外国语学校，教授小学一年级和二级的图书馆课程。硕士就读期间，她重点研究了疫情导致学习模式发生改变后，科技如何对学生的英语学习、特别是词汇量获取方面产生影响，以及如何在未来的学习中加以应用。在加入项目之前，金烨曾在纽约的公立幼儿园和小学担任助教，帮助英语非母语学生的学习。毕业后，她计划留在中国或赴纽约做一名小学教师。

## 姚尧 2022 届理学硕士

姚尧，上海纽约大学和纽约大学斯特恩商学院联合培养的计量金融硕士项目毕业生，获理学硕士学位。在毕业设计中，他与一家全球保险公司合作，比较分析美国和中国的投资组合策略。硕士在读期间，姚尧担任项目活动协调员，接洽沟通来访的业界演讲嘉宾。他还是本科商学协会导师、校园刊物 On Century Avenue 撰稿人以及就近入学项目迎新代表。毕业后，他将加入彭博上海从事分析和销售工作。

Lighting the  
Pearl Tower

东方明珠  
点亮上纽紫

Built in Pudong opposite the Bund in the 1990s, the Pearl Tower was China's tallest building until 2007 and has become one of its most recognizable landmarks. Its illumination for NYU Shanghai's graduation echoes the tradition in New York to light the Empire State Building violet to honor NYU Students graduating from the university's Washington Square campus.

东方明珠广播电视塔建于上世纪 90 年代，与浦西外滩隔黄浦江相望。自建成以来至 2007 年，东方明珠都是中国大陆的最高建筑，也是上海的城市地标和最易识别的建筑之一。东方明珠点亮上纽紫，也是与纽约帝国大厦为纽约大学毕业生亮紫色灯光的传统遥相呼应。

上海纽约大学校歌

*We have come to stand together,  
soon we'll part our separate ways,  
but we leave behind a legacy to light another's way.*

*We will build on our foundation,  
cross the mountains and the seas.  
Giving rise to strength in unity for all the world to see,  
giving rise to strength in unity for all the world to see.*

*We are Shanghai, we're the city of lights.  
We are Shanghai, and the future is bright.  
We're chasing horizons, dispel the dark give rise to  
brightness and love for all lands.  
The world is not too big for us to be friends.*

我们来自五湖四海 怀抱热诚理想  
求索新知 收获灼见 准备好扬帆起航

以天下为己任 以世界为课堂  
我们点亮盏盏微光 照亮彼此方向  
我们点亮盏盏微光 照亮前行方向

*We are Shanghai, we're the city of lights.  
We are Shanghai, and the future is bright.  
We're chasing horizons, dispel the dark give rise to  
brightness and love for all lands.  
The world is not too big for us to live...*

Written and composed by Jeremy Hissong,  
Renzhong Joyce Tan, and Dianna Heldman  
Jeremy Hissong、谭人众、Dianna Heldman 作词作曲

*We've opened up our minds, we're reaching for the skies.  
We're united together, we breathe as one.  
Bridging our nations, the best is yet to come.*

*We are Shanghai, we're the city of lights.  
We are Shanghai, and the future is bright.*

*The future's in Shanghai, 这城市流光溢彩  
We are Shanghai, 下一站何其精彩  
We're chasing horizons,  
dispel the dark give rise to  
brightness and love for all lands.  
听世界在召唤 未来由你我涂彩  
边憧憬边勇敢*

*The world is not too big,  
for all of us to sing.  
The world is not too big for us  
to live with open minds,  
to live with open hearts.  
We're reaching for the sky.  
We are Shanghai!*
