Dear NYU Shanghai Students,

Welcome to our community, and to a new chapter of learning both inside and outside the classroom. This Community Standards Handbook compiles the conduct standards, policies, and processes that all NYU Shanghai students are expected to follow.

NYU Shanghai is a thriving, diverse community of learners with much to offer. As a member of this community, you share a responsibility to act with integrity and uphold its core values.

The conduct process is part of your education here - a chance to practice mindful decision-making that extends beyond your time at NYU Shanghai. Before you act, consider the impact on three levels: yourself, your fellow students, and the university community as a whole.

These policies exist first and foremost to support your safety and wellbeing, along with that of the broader community. Your responsibilities include cooperation, respect, and participation. We ask that you look beyond your immediate needs and reflect on how your actions affect the wider community. Act with kindness and courtesy, and you will thrive at NYU Shanghai.

As always, we are available anytime to talk through these guidelines, a decision you are weighing, or anything else on your mind.

Sincerely,

David Pe
Assistant Vice Chancellor for Student Affairs & Dean of Students

NYU Shanghai Student Conduct Policy August 18, 2025

Issuing Authority:

Dean of Students, NYU Shanghai

I. STATEMENT OF POLICY

NYU Shanghai is a university with a dual identity as an independent Chinese university and a degree-granting campus within New York University (NYU)'s global network. The Community Standards Handbook describes the policies and processes that will ordinarily govern student affairs at NYU Shanghai and applies to all students at NYU Shanghai. All students must comply with the "University Student Conduct Policy," issued August 13, 2026 (<https://www.nyu.edu/about/policies-guidelines-compliance/policies-and-guidelines/university-student-conduct-policy.html>). The NYU Shanghai Student Conduct Policy is supplemental to the "University Student Conduct Policy," and if any discrepancy exists between the provisions of the "University Student Conduct Policy" and the Community Standards Handbook or any applicable NYU Shanghai policy, the provisions of the Community Standards Handbook and/or the applicable NYU Shanghai policy will apply.

The Community Standards Handbook does not anticipate all issues that might arise in the course of the academic career of all students and may be amended from time to time by NYU Shanghai. The Community Standards Handbook may also be superseded, suspended, or complemented by NYU Shanghai administrators as they may deem it necessary and proper, in particular extenuating circumstances and in the discharge of their responsibility to protect NYU Shanghai's academic objectives and reputation, including its learning environment and the safety of its students, faculty and staff. It is the responsibility of each student to review, understand and comply with all policies established and referenced in the Community Standards Handbook. Nothing in this Community Standards Handbook is intended to create, nor will anything be understood to create, contractual or legally enforceable rights.

Please visit the NYU Shanghai website

<https://shanghai.nyu.edu/campuslife/community-standards/> for the most up-to-date versions of the Handbook, the policies it references, and other relevant NYU Shanghai administrative department policies.

a) Eligibility:

- (1) All first-year and sophomore students must live in NYU Shanghai on-campus housing.

Your class standing is based upon completion of 4 academic semesters (Fall & Spring only), not by credit or admit year. Juniors and Seniors who do not apply for housing by the specified application deadline will be considered to have forfeited their guaranteed housing and will be considered to be living off-campus.
 - (3) All Study Away students from New York, Abu Dhabi and visiting campuses, must live in NYU Shanghai on-campus housing. Only in rare instances are Study Away students allowed to live off-campus. Study Away students should follow the published housing exemption application by the deadline, if they wish to be considered to live off-campus. Requests will be reviewed by the Special Housing Committee for approval of housing exemptions.
- b) **Terms & Conditions:** Juniors and Seniors who live off-campus will be responsible for handling all issues relating to their off-campus housing. NYU Shanghai, Student Affairs, and Residential Education & Housing staff will not be able to assist with any matters related to students' off-campus housing. This includes but is not limited to:

 - (2) providing listings
 - (3) setting up / paying bills or rents or guaranteeing rent payments
 - (4) advancing financial aid funds
 - (5) negotiating leases or disputes with landlords

You are responsible for your own actions off-campus. NYU Shanghai will not intervene with any aspects of your off-campus living condition. NYU Shanghai reserves the right to revoke its approval of your waiver at any time if you no longer meet the off-campus housing eligibility criteria or fail to comply with the Community Standards Handbook. B. OFFICE OF STUDENT MOBILITY

Questions about the policy can be referred to: shanghai.student-mobility@nyu.edu.

1. STUDENT VISA AND RESIDENCE PERMIT

The following are violations of the student visa and residence permit policy: Based on the requirements of the Chinese Ministry of Education and the Exit-Entry Administration Corps, international students studying in China have to obtain and maintain a valid student visa for the duration of their academic program. Non-Student Visa holders are not eligible to enter Mainland China to study. If your visa does not cover the full duration of your academic program in China, you should contact NYU Shanghai Office of Student Mobility staff to get your visa extended. Please note: Overstaying your visa can lead to fines of 500 RMB (around 75 USD) per day, up to 10,000 RMB (around 1500 USD). While in China, students who engage in activities that do not correspond to the purpose of their student visa or residence permit or who otherwise violate the laws or regulations of China may be found to be in violation of their visa and may be ordered to leave China.

a) Student Visa

Generally, Chinese Embassies/Consulates will only issue a single entry X1/X2 visa. X1 visa holders have to convert their visa to a residence permit within 30 days of entering China.

b) Residence Permit

If your academic program in China lasts more than 6 months, you have to apply for a residence permit. A residence permit is a long-term permit with multiple entries. A health check at the authorized clinic in Shanghai is required for the residence permit application. The whole application for a residence permit is X+4+7 business days (X=the waiting time to get a health check reservation, 4=health check report processing time and 7=residence permit processing time). The application fees will be around 500 RMB for the health check, and the residence permit fee is 400 RMB (less than 1 year), 800 RMB (1 year to 3 years) and 1000 RMB (3 years to 5 years). If you renew your passport during your academic program in China, you must contact the Office of Student Mobility team to renew

your residence permit as well, no later than 10 days after completing your passport renewal. Failure to do this within 10 days may lead to fines of up to 10,000 RMB (around 1500 USD).

c) Health Check

A health check is required for all Shanghai campus international students who need to apply for a residence permit. It includes a blood test, X-ray and other basic tests.

d) Stay Permit

If you are a residence permit holder and would like to stay in China longer after the semester ends, you can apply for a stay permit. The stay permit will give you another 30 days, but you won't have any additional entries in these 30 days and you have to stay inside mainland China.

2. OFF-CAMPUS EMPLOYMENT

The following are violations of the off-campus employment policy: In accordance with current Chinese law and regulations, international students in China are not permitted to engage in off-campus work (paid or unpaid), but may participate in off-campus unpaid registered internships. International students must comply with certain requirements and complete the registration process BEFORE they start an off-campus unpaid internship. Failure to do this may be considered illegal employment and may subject international students to fines and other sanctions from the Chinese government and the Exit-Entry Administration Corps. The fine is up to 20,000 RMB (around 3,000 USD) and also may affect your Chinese visa and your study in China.

3. TEMPORARY REGISTRATION (境外人员住宿登记)

All foreigners are required to complete the temporary residence registration at the local police station within 24 hours after their entry into China. If you live in the Jingyao Residence Hall, or live off-campus, please visit <https://gaj.sh.gov.cn/crj/24hr/web/zcbd/login?relogin=true> to and register online. If you are staying at a hotel, the reception desk will complete the registration for you. Failure to do this on time may result in fines and other penalties.

4. International students studying in China on a student visa or study residence permit must maintain full-time enrollment throughout their program of study. Students who take a leave of absence, withdraw from the University, or whose academic programs are suspended or otherwise interrupted must promptly contact the appropriate University office to confirm their departure plans and establish a mutually agreed-upon departure timeframe, consistent with applicable immigration requirements. Failure to do so may result in visa overstay, fines, and may affect the student's ability to return to China in the future. For more information regarding Leave of Absence or Withdrawals, please refer to policies listed at <https://shanghai.nyu.edu/page/leave-absence-withdrawal>

4. During the Student Conduct conference, the student will have the opportunity to share his/her account of the incident. The student may present supporting information and/or provide the names of relevant witnesses at the Student Conduct conference. At the Student Conduct conference, if the student indicates they want to provide additional information, they must do so within two calendar days following the meeting. The consideration of additional evidence is at the discretion of the Student Conduct conference hearing officer.

D. DECISIONS: After the Student Conduct conference is completed, the Dean of Students or designated NYU Shanghai administrator will consider the incident report, alleged policy violations, student statements, and information provided in rendering their decision. A preponderance of the evidence standard will be used to determine whether a policy violation occurred. The student will be notified in writing of the outcome via email, including whether or not the student is responsible for any violations of NYU Shanghai's policies, and if any sanctions are assigned as a result of the violation(s). Based upon a review of the evidence, the Dean of Students or designee shall take one (or more) of the following courses of action:

1. **Resolution by Agreement:** The Dean of Students or designee may elect to resolve minor infractions through informal (non-student conduct) interventions including, but not limited to, mediation, education, or verbal warning.
2. **Formal Resolution:** The Dean of Students or designee may elect to resolve violations via the student conduct process described above. Imposition of the following disciplinary sanctions may be assigned, which shall be presented in a letter sent to the student.

The following sanctions are available to the Dean of Students or designee:

- a) **Written Warning:** A notice to the student in writing that continuation or repetition of the conduct found wrongful, or participation in similar conduct shall be cause for disciplinary action.
- b) **Restriction:** Exclusion from participation in designated privileges, NYU Shanghai sponsored activities, or rights and services for a specified period of time. May be permanent or for a designated time period.
- c) **Probation**
 - (1) **Housing Probation:** A status imposed upon the student for a designated period of time, during which further violation of the University's residential policies will result in more serious disciplinary sanctions.
 - (2) **Disciplinary Probation:** A status imposed upon the student for a designated period of time, during which further violation of any University policy will result in more serious disciplinary sanctions. Students on Disciplinary Probation may not be permitted to study away and may be removed from any student leadership position.

- d) **Deferred Status**

- (1) Deferred Suspension from University Sponsored Housing:** A defined period of time during which further violation of the university's residential policies will result in immediate suspension of the housing license or dismissal from NYU Shanghai housing.
- (2) Deferred Disciplinary Suspension:** A defined period of time during which further violation of any (or a particular one as noted) NYU Shanghai or Residential Education & Housing policy, they are subject to immediate suspension or dismissal from NYU Shanghai. Students on Deferred Suspension may not be permitted to study away and may be removed from any student leadership position
- e) Revocation of Off-Campus Housing:** Revocation of approval to live off-campus. A student whose approval to live off-campus is revoked may be required to live in NYU Shanghai sponsored housing or, if combined with a suspension from NYU Shanghai sponsored housing, may be dismissed from NYU Shanghai.
- f) Persona Non Grata:** Restrictions on access to designated areas of NYU Shanghai or presence at designated events and activities. May be permanent or for a designated time period.
- g) Relocation in University Housing:** Mandatory reassignment from one room or residence hall to another room or residence hall.
- h) Restitution:** Reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damages.
- i) Mandatory Health Referral:** A mandated assessment with a qualified health professional to evaluate a student's well-being and promote responsible decision making.
- j) Restricted/No Contact Directive:** A directive ordering the student to refrain from any effort to contact, communicate or interact with a designated member of the University community including, but not limited to, in person, in writing, by phone, by email, by texts, or other electronic messaging, through social media, or notes, cards, packages, letters, or efforts to communicate through a third-party acting on the student's behalf, or by non-verbal means. May be permanent or for a designated time period.
- k) Community Service:** Completion of a designated task, project, or service activity intended to foster awareness, educate, or make amends for one's misconduct.
- l) Education:** A student may be required to complete an educational experience intended to educate the student on matters associated with the incident in which he/she was involved.

- m) **Suspension from University Sponsored Housing:** Exclusion from living in and/or visiting any/all NYU Shanghai sponsored residence facilities for a specified period of time. At NYU Shanghai, living in NYU Shanghai sponsored housing is mandatory for all first-year students, sophomores and study away students. NYU Shanghai juniors and seniors may live off-campus if they have submitted a NYU Shanghai Housing Waiver and Release and been approved to live off campus in accordance with the Off-Campus Housing Policy. Thus, suspension from NYU Shanghai sponsored housing is tantamount to a dismissal from NYU Shanghai and/or the NYU Shanghai sponsored Study Away Program. **This sanction shall not be imposed on a Study Away student without consultation with the Dean of the School in which the student is enrolled, the Office of Global Programs, and the Office of Student Conduct and Community Standards.*
- n) **Dismissal from NYU Shanghai and Study Away Program:** Immediate dismissal from the program and Center/Campus. This sanction shall not be imposed on a Study Away student without consultation with the Dean of the School in which the student is enrolled, the Office of Global Programs, and the Office of Student Conduct and Community Standards.
- o) **Additional Sanctions:** In consultation with, and on behalf of, the Dean of the School in which the student is enrolled in academic matters or the Office of Student Conduct and Community Standards in non-academic matters the Dean of Students or designee may also impose other sanctions or extend the sanctions to other NYU campuses.

The following sanctions are available to the NYU Shanghai Director of University Community Standards, NYU Shanghai Assistant Dean of Students, and/or NYU Shanghai Dean of Students:

- p) **Suspension:** A separation from the University for a designated period of time and setting forth any conditions for reinstatement.
 - q) **Dismissal:** A permanent separation from NYU. Transcript Notation: A notation affixed to a student's internal or external transcript indicating his/her involvement in a disciplinary proceeding which may be permanent or for a designated time period.
3. **Referral of the matter to a central NYU Office:** Should any of the following circumstances exist, upon consultation with the Dean of the School in which the accused student is enrolled (in academic matters) or the Office of Student Conduct and Community Standards (in non-academic matters), the Dean of Students or designee may refer a matter directly to the appropriate office at NYU.
- a) If an alleged behavior/violation is considered to be of such a nature that the disciplinary sanction typically applied in such matters exceeds the sanctioning authority of the Dean of Students or designee, as noted

above (e.g. dismissal from NYU).

- b) If an alleged behavior/violation is considered to be of such a nature that an investigation and resolution by administrators with more specific resources and/or specialized training in such matters is warranted (e.g. discrimination based on protected class, unauthorized access of electronic files, etc.).
- c) In the event the precipitating incident occurred at a time in the semester that resolution at NYU Shanghai was precluded (e.g. during finals week or if a student departs from NYU Shanghai prior to resolution of a student conduct matter).
- d) If circumstances at NYU Shanghai (e.g., staff schedules or vacancies, etc.) make it impractical or unreasonable to conduct the investigation or conduct process at the NYU Shanghai location.

Matters involving allegations of academic policy violations may be referred for adjudication directly to the Office of the Dean of the School in which the accused student is enrolled. Matters involving allegations of non-academic policy violations may be referred for adjudication directly to the Office of Student Conduct and Community Standards. The case will be reviewed in accordance with the policies and procedures of that office.

Allegations brought against a student of Sexual Assault, Sexual Harassment, Relationship Violence and Stalking will be referred to the NYU Office of Equal Opportunity for handling in accordance with the applicable procedures for such matters, available at <https://www.nyu.edu/about/policies-guidelines-compliance/policies-and-guidelines/test-reporting--investigating--and-resolving-sexual-misconduct--rela.html>

The appeal must be accompanied by supporting documentation. The student shall receive a written decision from the appeals officer within twenty-one (21) calendar days of the submission of the appeal.

- a) a material procedural error
- b) previously unavailable relevant evidence that could affect the outcome
- c) the sanction being substantially disproportionate to the violation

2. Appeal Procedure:

- a) The appeal review of decisions rendered by the Dean of Students' designee will be conducted by the Dean of Students or a designee that did not render the decision being appealed.

- c) The appeal review for decisions rendered as a "dismissal" will be conducted by the Vice Chancellor.

- b) The appeal officer may call upon the appellant and/or others, as needed, for additional information or clarification.
- c) An appeal may have three possible outcomes:
 - (1) The appeal is denied and the decision remains as issued.
 - (2) The sanctions imposed in the matter are to be modified as deemed appropriate by the Appeal Officer.
 - (3) A new hearing/review of the matter is to be conducted by an administrator not involved in the initial case.

II. Final Review by NYU Central Office:

- A. Academic Matters:** The results of all academic policy disciplinary decisions made at NYU Shanghai shall be communicated to the Office of the Dean of the Department or School in which the student is enrolled and are subject to review by that office for the purpose of determining whether the sanctions imposed at NYU Shanghai should be extended to all NYU Centers/campuses. If the sanctions are determined to be so extended, the student shall be notified in writing of that decision and the related implications.
- B. Non-Academic Matters:** The results of all non-academic policy disciplinary decisions made at NYU Shanghai shall be communicated to the Office of Community Standards and Compliance and subject to review by that office for the purpose of determining whether the sanctions imposed at NYU Shanghai should be extended to all NYU centers/campuses. If the sanctions are determined to be so

extended, the student shall be notified in writing of that decision and the related implications.

C. Disciplinary Records: All student conduct actions taken at NYU Shanghai should be reported to the Office of Student Conduct and Community Standards (for non-academic matters), the Dean of the School in which the student is enrolled (for academic matters), or the home institution of a visiting student. Records are maintained as follows:

- 1. NYU Students:** Student Conduct actions are disciplinary matters and, as such, part of the student's educational record that is maintained in the Office of Student Conduct and Community Standards and/or the School or College in which the student is enrolled.
- 2. External and Visiting Students:** In disciplinary matters involving a visiting student whose home institution is other than NYU Shanghai, NYU Shanghai reserves the right to inform the appropriate office at that institution of the results of all disciplinary decisions involving that student, as well as maintaining a record in the NYU Office of Student Conduct and Community Standards.

III. Parental Notification: In an effort to provide support or assistance to students and in accordance with the Family Educational Rights and Privacy Act - FERPA, NYU Shanghai may notify the parents or legal guardians of students who have violated university policies or federal, state, or local laws pertaining to alcohol or other drugs or in situations in which there is a health and safety emergency. The decision to notify parents or legal guardians will be made according to the professional judgment of the appropriate staff. Whenever possible, students will be consulted in the notification process. The primary goal of notifying parents or legal guardians is to promote the health and wellness of the student and others in the community.
