

Tenured/Tenure-Track Positions in Computer Science/Data Science/Engineering

Position Description

[NYU Shanghai](#) is currently inviting applications for multiple Tenured or Tenure-Track positions in Computer Science, Computer Engineering and Data Science. The search is not restricted to any rank and outstanding candidates at all levels are encouraged to apply.

Terms of employment at [NYU Shanghai](#) are comparable to NYU New York and other U.S. institutions with respect to research start-up funds and compensation, and they include housing subsidies and educational subsidies for children. Faculty may in certain cases have the opportunity to spend time at NYU New York and other sites of the NYU Global Network, engaging in both research and teaching.

Qualifications

We seek faculty candidates at all levels, with a preference for mid-career faculty, who have completed a Ph.D. in Computer Science, Data Science, Engineering, Applied Mathematics or a closely related discipline. We invite applications from candidates in all areas and have a special interest in those with expertise broadly in AI for Health/Education, Systems, Theory, and Human-AI/Computer Interaction that will supplement and complement our current interdisciplinary clusters in machine learning, theory and AI.

Application Instructions

Applicants should submit a cover letter, curriculum vitae, statement of research, statement of teaching interests, and at least one publication via Interfolio. Additionally, those applying at the rank of assistant or associate professor (without tenure) should enter the names and email addresses of at least three referees. Each referee will be contacted to upload a reference letter through Interfolio.

Applications submitted by December 15 will receive full consideration. The review will begin on December 15, 2025, and will continue until the position is filled. To apply, follow this link: <https://apply.interfolio.com/176211>. If you have any questions, please email the NYU Shanghai NY Office of Faculty Recruitment shanghai.faculty.recruitment@nyu.edu.

About NYU Shanghai

[NYU Shanghai](#) is the third degree-granting campus within New York University's Global Network. It is the first higher education joint venture in China authorized to grant degrees that are accredited in the U.S. as well as in China. All teaching is conducted in English. A research university with liberal arts and science at its core, NYU Shanghai resides in one of the world's great cities with a vibrant intellectual community. NYU Shanghai recruits scholars of the highest caliber who are committed to NYU's global vision of transformative teaching and innovative research and who embody the global society in which we live.

NYU's Global Network includes degree-granting campuses in New York, Shanghai, and Abu Dhabi, complemented by thirteen additional academic centers across the world. Faculty and students may circulate within the Network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.
