

Tenured/Tenure-Track Positions in Mathematics

Position Description

[NYU Shanghai](#) opens a search for Tenured or Tenure-Track positions in Mathematics. The search is open—not restricted to any field within mathematics, and all levels of seniority will be considered. We particularly welcome applications in probability, analysis, partial differential equations, dynamical systems, geometry, and algebra. The mathematics group at NYU Shanghai is built with the collaboration and help of [The Courant Institute of Mathematical Sciences](#) and affiliations with The Courant Institute will be encouraged.

Terms of employment at NYU Shanghai are comparable to NYU New York and other U.S. institutions with respect to research start-up funds and compensation, and they include housing subsidies and educational subsidies for children. Faculty may in certain cases have the opportunity to spend time at NYU New York and other sites of the NYU Global Network, engaging in both research and teaching.

Qualifications

We seek candidates who have completed a Ph.D. in Mathematics or a closely related discipline.

Application Instructions

Applicants should submit:

1. Cover Letter
2. Curriculum vitae
3. Statement on current/future research interests
4. Statement on teaching interests
5. Electronic copies of up to 3 select preprint/publications
6. Names and email addresses for three (3) references, who will be contacted to upload a reference letter through Interfolio (candidates at the rank of Assistant or Associate Professor rank).

Applications may be received until **January 31, 2025**. Review of applications will begin on January 1, 2025 and will continue until the position is filled.

About NYU Shanghai

[NYU Shanghai](#) is the third degree-granting campus within New York University's Global Network. It is the first higher education joint venture in China authorized to grant degrees that are accredited in the U.S. as well as in China. All teaching is conducted in English. A research university with liberal arts and science at its core, NYU Shanghai resides in one of the world's great cities with a vibrant intellectual community. NYU Shanghai recruits scholars of the highest caliber who are committed to NYU's global vision of transformative teaching and innovative research and who embody the global society in which we live.

NYU's Global Network includes degree-granting campuses in New York, Shanghai, and Abu Dhabi, complemented by thirteen additional academic centers across the world. Faculty and students may circulate within the Network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.
