

Tenured/Tenure-Track Faculty Position with a Focus on Health

Position Description

In an effort to prioritize and strengthen health as a core area of research and teaching, [NYU Shanghai](#) is currently inviting applications for multiple positions at the ranks of assistant or associate professor in the following academic areas (or closely related fields): Biology, Chemistry, Economics, Neural Science, Physics, Social Sciences, Global Public Health, Biostatistics, and/or Social Work. We also welcome faculty whose work crosses disciplinary boundaries.

Terms of employment at [NYU Shanghai](#) are comparable to NYU New York and other U.S. institutions with respect to research start-up funds and compensation, and they include housing subsidies and educational subsidies for children. Faculty may in certain cases have the opportunity to spend time at NYU New York and other sites of the NYU Global Network, engaging in both research and teaching.

Qualifications

We seek candidates who have completed a Ph.D. in one of the academic areas listed above or a closely related field, who pursue health-related research. Distinguished records of scholarship, funded-research, teaching, and service are desired from mid-career candidates, while pre-tenure candidates must demonstrate clear potential to achieve the same. Excellent candidates should also have proven expertise in teaching across the complexities of interdisciplinary scholarship.

Application Instructions

Applicants should submit a cover letter, curriculum vitae, statement of research, statement of teaching interests, and at least one writing sample via Interfolio. Additionally, applicants should upload a document listing the names and email addresses of at least three referees. Referees may be contacted at a later stage during the search process and applicants will be informed before any references are solicited.

Review of applications will begin on February 28, 2026 and will continue until the position(s) is filled. To apply, follow this link: <https://apply.interfolio.com/180398>. If you have any questions, please email the NYU Shanghai NY Office of Faculty Recruitment shanghai.faculty.recruitment@nyu.edu.

About NYU Shanghai

[NYU Shanghai](#) is the third degree-granting campus within New York University's Global Network. It is the first higher education joint venture in China authorized to grant degrees that are accredited in the U.S. as well as in China. All teaching is conducted in English. A research university with liberal arts and science at its core, NYU Shanghai resides in one of the world's great cities with a vibrant intellectual community. NYU Shanghai recruits scholars of the highest caliber who are committed to NYU's global vision of transformative teaching and innovative research and who embody the global society in which we live.

NYU's Global Network includes degree-granting campuses in New York, Shanghai, and Abu Dhabi, complemented by thirteen additional academic centers across the world. Faculty and students may circulate within the Network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.
