

## Research Associate NYU Shanghai

NYU Shanghai seeks to hire a research associate. The successful candidate will join the research group of Prof. Xinying Cai and play a key role in the day-to-day operations of the laboratory including:

- Understands and follows relevant Standard Operating Procedures (SOPs), protocol requirements and international animal welfare practice regarding all laboratory activities assigned or engaged in.
- Develops a good working knowledge of laboratory equipment, supplies and experimental procedures and applies this knowledge in laboratory daily operations.
- On assigned projects, manages animal training and behavioral data collection.
- Other tasks as assigned by the PI.

The review of applications will begin immediately, and the position will remain open until filled. Please provide a CV and cover letter. Candidates should have minimum a Bachelor's degree in biological/biomedical sciences or other relevant fields. Experience working with laboratory animals is preferred. Please visit our website at <http://shanghai.nyu.edu/about/work/fellowships> for instructions and other information on how to apply. If you have any questions, please e-mail [xinying.cai@nyu.edu](mailto:xinying.cai@nyu.edu).

### *About NYU Shanghai:*

NYU Shanghai is the newest degree-granting campus within New York University's global network. It is the first higher education joint venture in China authorized to grant degrees that are accredited in the U.S. as well as in China. All teaching is conducted in English. A research university with liberal arts and science at its core, it resides in one of the world's great cities with a vibrant intellectual community. NYU Shanghai recruits scholars *of the highest caliber* who are committed to NYU's global vision of transformative teaching and innovative research and who embody the global society in which we live.

NYU's global network includes degree-granting campuses in New York, Shanghai, and Abu Dhabi, complemented by eleven additional academic centers across five continents. Faculty and students circulate within the network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.

NYU Shanghai is an equal opportunity employer committed to equity, diversity and social inclusion. We strongly encourage applications from individuals who are under-represented in the profession, across color, creed, race, ethnic and national origin, physical ability, and gender and sexual identity. NYU Shanghai affirms the value of differing perspectives on the world as we strive to build the strongest possible university with the widest reach.
