FACULTY POSITIONS
Recitation Instructor/Teaching Associate in Computer Science
NYU Shanghai

The Recitation Instructor/Teaching Associate in Computer Science at NYU Shanghai is a unique position designed for graduated students and young scholars who have recently completed their academic study programs. The employment term of this position begins from Spring/Fall 2018, and the work location is Shanghai, China. This role entails a combination of teaching and other academic support responsibilities.

Candidates must have an excellent command of both spoken and written English, be passionate about teaching, and have competence in more than one programming language (e.g. C, Java and Python). Experience in teaching Computer Science or related courses in English is preferred.

Responsibilities
The Recitation Instructor/Teaching Associate's commitments will include teaching recitations for computer science, preparing labs and assignments for courses, grading homework and exams, and providing one-on-one support to students during the academic year. Enthusiastic dedication to the Computer Science program is essential.

Qualifications
Master's degree or Ph.D. degree in Computer Science or related field.

Application Instructions
Candidates should submit a curriculum vitae and copies of graduate-level and undergraduate-level transcripts. Review of applications will begin immediately and will continue until the position is filled. Please visit our website at http://shanghai.nyu.edu/en/about/work-here/open-positions-faculty for instructions and other information on how to apply. Additional information about the position can be obtained through writing to maggie.mao@nyu.edu. Applications will be accepted through Interfolio at http://apply.interfolio.com/47978.

About NYU Shanghai:
NYU Shanghai is the newest degree-granting campus within New York University's global network. It is the first higher education joint venture in China authorized to grant degrees that are accredited in the U.S. as well as in China. All teaching is conducted in English. A research university with liberal arts and science at its core, it resides in one of the world's great cities with a vibrant intellectual community. NYU Shanghai recruits scholars of the highest caliber who are committed to NYU's global vision of transformative teaching and innovative research and who embody the global society in which we live.

NYU's global network includes degree-granting campuses in New York, Shanghai, and Abu Dhabi, complemented by eleven additional academic centers across five continents. Faculty and students circulate within the network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.

NYU Shanghai is an equal opportunity employer committed to equity, diversity and social inclusion. We strongly encourage applications from individuals who are under-represented in the profession, across color, creed, race, ethnic and national origin, physical ability, and gender and sexual identity. NYU Shanghai affirms the value of differing perspectives on the world as we strive to build the strongest possible university with the widest reach.
