

## Tenured/Tenure-Track Position in Psychology

---

### Position Description

[NYU Shanghai](#) is currently inviting applications for an Assistant, Associate, or Full professor in Psychology. The candidate would join an active group of psychologists and build on our current strengths in psychotherapy and digital mental health, gender and sexuality, child development, and legal psychology. The candidate would be expected to develop innovative and exciting collaborations with faculty across the social sciences (e.g, global public health) and natural and computational sciences (particularly neuroscience, AI and big data). Candidates should be comfortable conducting research in interdisciplinary teams with scholars from diverse and complementary backgrounds.

Terms of employment at [NYU Shanghai](#) are comparable to NYU New York and other U.S. institutions with respect to research start-up funds and compensation, and they include housing subsidies and educational subsidies for children. Faculty may in certain cases have the opportunity to spend time at NYU New York and other sites of the NYU Global Network, engaging in both research and teaching.

### Qualifications

We invite applications in all fields of psychology and encourage candidates from diverse backgrounds to apply. This position is part of a four-line cluster search on the climate-health nexus, broadly construed; the other three positions are in global public health, medical anthropology, and environmental studies. The successful candidates will have the opportunity to join a vibrant research community housed in the NYU Shanghai Social Sciences Area and its [research centers](#).

### Application Instructions

Applicants should submit a cover letter, curriculum vitae, statement of research, statement of teaching interests, and at least one writing sample via Interfolio. Additionally, those applying at the rank of assistant or associate professor (without tenure) should enter the names and email addresses of at least three referees. Each referee will be contacted to upload a reference letter through Interfolio.

Applications may be received until October 28, 2024. To apply, follow this link: <http://apply.interfolio.com/155561>. If you have any questions, please email the NYU Shanghai NY Office of Faculty Recruitment [shanghai.faculty.recruitment@nyu.edu](mailto:shanghai.faculty.recruitment@nyu.edu).

### About NYU Shanghai

[NYU Shanghai](#) is the third degree-granting campus within New York University's Global Network. It is the first higher education joint venture in China authorized to grant degrees that are accredited in the U.S. as well as in China. All teaching is conducted in English. A research university with liberal arts and science at its core, NYU Shanghai resides in one of the world's great cities with a vibrant intellectual community. NYU Shanghai recruits scholars of the highest caliber who are committed to NYU's global vision of transformative teaching and innovative research and who embody the global society in which we live.

NYU's Global Network includes degree-granting campuses in New York, Shanghai, and Abu Dhabi, complemented by thirteen additional academic centers across the world. Faculty and students may circulate within the Network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.
