

DO'S AND DONT'S ZOOM CLASSES

 DOS	 DONTS
<p>Restart your computer and home router before class and avoid unnecessary software in the background.</p> 	<p>Don't open 500 tabs on your browser - it slows things down.</p> 
<p>Install Zoom Client for Meetings use NYU SSO sign-in before meetings.</p> 	<p>Don't join lectures from the browsers.</p> 
<p>Headphones with mic preferred.</p> 	<p>Avoid wireless/Bluetooth if possible (avoid battery run out) .</p> 
<p>Be early for your sessions.</p> 	<p>Don't join a Zoom session at the last minute.</p> 
<p>Find a quiet location for your session.</p> 	<p>Don't work in Starbucks, public spaces, or next to your noisy brother.</p> 
<p>Click “Record to cloud” to save your content.</p> 	<p>Don't record lecture sessions on a local computer.</p>
